Creating a user account

Alpha Smart app · https://faqdoc.info/en/systemauswahl/alpha-smartware-en/alpha-smart-app-en/how-do-i-create-a-user-account/

How do I create a user account?

You can create a user account for the OEM Alpha smartware system in the OEM Alpha smart app. You register your e-mail address and a password in the app. You will need to accept the terms and conditions and data privacy policy.
