IP ports

Alpha Smart IoT gateway · https://faqdoc.info/en/systemauswahl/alpha-smartware-en/alpha-smart-iot-gateway-en/what-ip-ports-does-the-iot-gateway-need-to-communicate/

What IP ports does the IoT gateway need to communicate?

- DNS Services (UDP Port 53)
- HTTPS Resources (TCP Port 443)
- MQTTS Resources (TCP Port 8883) also MQTT with TLS
- NTP time service (UDP port 123)
