Switching time

Alpha Smart system radiant heating system · https://faqdoc.info/en/systemauswahl/alpha-smartware-en/alpha-smart-system-radiant-heating-system-en/whats-a-switching-time/

What’s a switching time?

A switching time is made up of a day of the week, time and setpoint temperature. As a result, you can change a setpoint temperature at a defined time.

How many switching times can I store in the app?

You can store 6 switching times for each day of the week.
