Max. number of devices

Radio protocol cSP-L · https://faqdoc.info/en/systemauswahl/alpha-smartware-en/radio-protocol-csp-l-en/what-is-the-maximum-number-of-devices/

What is the maximum number of devices?

A maximum of 50 Alpha Smartware devices may be used within a radius of 50 meters. A larger setup is technically possible but not currently validated.
