Encryption

Radio protocol cSP-L · https://faqdoc.info/en/systemauswahl/alpha-smartware-en/radio-protocol-csp-l-en/whats-the-data-transmission-security-of-the-csp-l-wireless-protocol/

What’s the data transmission security of the cSP-L wireless protocol?

All cSP-L data is AES 128 encrypted. This is a widespread, accepted and very safe industry standard.
